

Blackhawk Members:

The Chicago In-Water Boat Show organization has presented our club with the opportunity to participate in their 2013 show. The show management was extremely supportive of our participation in previous events at McCormack Place and would like us to be a part of the in-water show for 2013.

The show will be held at the new 31st Street Harbor. There are launch ramps at this facility and remote trailer parking will be available. The show will provide convenient parking and a complementary shuttle. We have been allocated both lot space as well as room for as many as 30 or more boats in the water. We will need to staff the display for the show hours and will look to the boat owners and volunteers to assist with this effort.

Dates & Location

We are asking for interested boat owners to respond as soon as possible. We will work to accommodate as many boats as the space will allow. Each presenting owner will receive show credentials that will allow access to the show prior to the public opening. In addition, Blackhawk members will receive a small quantity of free admission passes for the event.

We have also arranged dinner for our group to have dinner at the Chicago Yacht Club on Saturday June 15th. All Blackhawk members, presenters, volunteers and guests are welcome. The yacht club offers a rich history of boating in Chicago and a beautiful view of the Chicago skyline and waterfront. More details will follow with the registration form.

For those interested in presenting their boat, a brief registration form will follow to collect key information about the boat, owner and a picture of your boat. This will be used to prepare signage for each boat presented.

To participate in the show or for additional questions and information please contact Mark Svoboda at (630) 208-1775 or via email at president@blackhawkacbs.com.

Help make this a successful event by displaying your boat or volunteering to cover the show.

Best regards,

The 2013 Boat Show Committee
